

You are Invited to attend our next
Tacoma Council PTA Meeting

The meeting begins with a brief business portion; including election of our Council Nominating Committee for next year's officers. To follow, we are having a Question and Answer session with Tacoma Schools Superintendent Dr. Art Jarvis. This is a great opportunity to meet your Superintendent, get the latest information about our schools, and ask any questions you may have.

Win a "Dignitary Membership Door Prize" for your PTA. Many of our local dignitaries (PTA Leaders, District Leaders, Local Government Leaders) have offered to join your PTA - but you have to be there to win. The more members you bring, the better your chances for winning.

Tacoma Council PTA Meeting
