### Literature

**Cannon Liddell** Primary, 1st Grade Browns Point PTA  
"Change The World" I matter because I could change the world with one little idea.

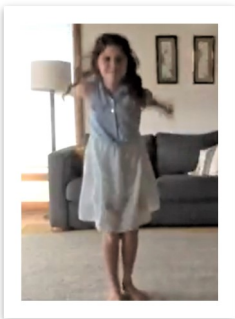

Hi I am Cannon. I'm special because I'm good at math. I am going to change the world eventually. I once read a book. The name is, "What do you do with an idea?" It taught me I could change the world with one little idea. I am unique in all sorts of crazy ways.

I like nature and I have crazy ideas. I talk a lot A Lot. I'm 6 years old. My favorite animal is a cougar. I like them because they are fierce and they stretch their arms and legs to look fierce. And I matter to KB aka KELLER BLUM, COLIN, ANDREA and family. I provide funny things to everybody I have a good sense of humor. That is what makes me CANNON and these are many of the reasons I matter to everyone.

**Carly Neidlinger** Intermediate, 3rd Grade Browns Point PTA  
"I Matter Because" I wrote this poem because we should care about each other. We go through hard times and change. We need each other to encourage us to find the good in us.

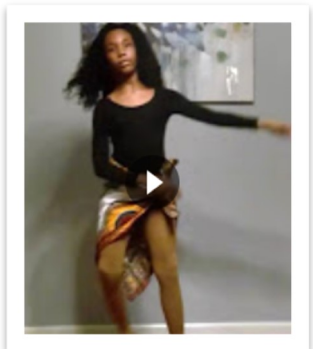

I matter because no one else is like me  
I stand out like a bird in a willow tree.  
Everybody has something unique about them  
They just need to find the gem in their stem.  
Everybody is different in their own ways  
Some people go through a really tough phase.  
People can change but there's one thing that does not  
They will always be them no matter what they've got.  
I appreciate being me  
And having my own personality.

**Parker Bott** Intermediate, 3rd Grade  
Browns Point PTA  
"I Am On Top Of The World"  
Song written by Parker using Drums  
This song was written in my room using drum set. I wrote this song because I have everything I need in my life to survive. I feel lucky to have a mom and dad who can help me and give me food. I also feel lucky to have a warm bed every night to sleep comfortably. The song title "I am on Top of the World" tells me that my family cares about me, everything will be okay, and I can be whoever I want to be.
